

WYOMING MINERS' HOSPITAL BOARD HEARING AID ASSISTANCE PROGRAM
6/1/2013

Hearing Aid Purchasing Assistance

This program offers Miners' dollar support for purchasing hearing aids. The dollar amount can be as much as \$2,000.00, depending on whether a preferred provider is used or not. The board provides assistance by paying directly to the provider. If the Miner uses a "Non" preferred provider, the dollar amount paid is \$1,500.00. Members of the PPO (Preferred Provider Organization) are listed below. To use this program the Miner must first register. Registration forms can be obtained on the Wyoming Miners' Hospital Board web site: <http://mhb.state.wy.us> or the Miner can contact the Wyoming Miners' Hospital Board's office directly at 1-866-808-3004. Once registered, the Miner must obtain and complete an additional hearing aid claim form which is provided by the preferred provider or on the MHB web site. Once required forms are completed they must be submitted to the Third Party Administrator (EBMS, Inc.), who pays all claims. EBMS's address and telephone number can be found on the registration form, Wyoming Miners' Hospital Board web site and on the Miners' registration card.
